- Log repair and replacement

Project Location:

Soldier Lake Pavilion is located within the Soldier Lake Campground, a relaxing facility on Soldier Lake in Michigan’s Upper Peninsula. Soldier Lake Campground is approximately 30 miles west of Sault Ste. Marie, easily accessible from M-28, and yet is a quiet site that is well away from any noise of the highway. Nestled along red pine and aspen trees, the campground provides a feeling of remoteness but is still close to roads that lead to some of the best sightseeing the area has to offer.

HistoriCorps is a service learning partner of the U.S. Forest Service, Department of Agriculture committed to the preservation and stewardship of significant resources on public lands.
